

**North Country Community College
Annual Security Report
Saranac Lake Main Campus
For the Academic Year Ending May 2006.**

Preface

North Country Community College has enjoyed a long standing tradition of inspiring wellness, living in a relatively crime free environment and cooperating with all local Law Enforcement and Fire and Rescue agencies that oversee the campus.

Shane Chatelle, Director of Buildings and Grounds oversees the safety aspect of the campus while Roberta Karp, Director of Student Life chairs the Wellness Committee to promote a positive life style for the entire College Community.

This document as well as various brochures, mailings and web site information describes North Country's policies and procedures for documenting and reporting criminal activity at the College.

Any student, staff, or faculty member may notify Mr. Shane Chatelle at 891-2915 x 267 or any of the numbers previously mentioned to report a potential hazard. All campus buildings have emergency numbers posted in various locations around each building.

C. Preparation of Annual Crime Statistics Reporting.

The Director of Student Life and the Vice President for Academic Affairs prepares the on-line documentation of Campus Crime and Statistics each year. The report is prepared by utilizing information gathered throughout the prior Academic Year by Student Affairs, Academic Affairs and the College Association.

Each semester current students, staff, faculty and applicants are notified via mail and e-mail for the web page address to view the entire Crime Statistics Report (<http://ope.ed.gov/security/Search.asp>). Hard copies of the report may be obtained from the Enrollment Management Office at 20 Winona Avenue from 8:30-4:30 Monday-Thrusday.

D. Campus Personnel Arrest Authority

The College maintains the right through New York State Law for the President to appoint arresting capabilities, the carrying of fire arms for duly trained personnel and employ a Campus Security Force. At this time, none of these options are employed.

Arrests, campus security and law enforcement rest solely on the New York State Troopers and Saranac Lake Village Police (when notified by the New York State Police). The College has a long standing relationship with local law enforcement agencies and has not had to utilize there assistance in law enforcement on campus since the College's inception.

E. Confidential Reporting of Suspicious or Criminal Behavior

Confidential reporting of crime to a law enforcement agency (i.e. State Police), is not possible. Under New York State Law, reporting of a crime is public record. This program also discusses non-sexual crime, crime prevention and self defense.

North Country Community College's Sexual Assault Information & Guidelines for Prevention Brochures are distributed at this meeting at all sites. These booklets are also continually available at the Student Service's area.

H. Sexual Assault Response and Definition of Sexual Assault Crimes.

If you are the victim of a rape or date rape you should follow the following procedures:

- Get to a safe place and call a rape crisis center for information or support. North Country Community College students, friends, family and staff living in any of our three campus locations can call 1-877-212-2323 toll free.
- Take care of your body. Call a friend for support and go to the hospital whether you plan to press charges or not.
- Determine whether or not you want to report the incident to the police. If there is any chance you do want to report the assault, you should not shower, bathe, douche, change clothes or straighten up the area until medical and legal evidence is collected because these actions will destroy evidence.
- If you think you've been drugged, tell the nurse or attendant at the hospital. Every hour matters. Chances of getting proof are best when the sample is obtained soon after the substance has been ingested.

If you are a victim of a rape or date rape the College will seek to change your academic and living situation if requested and is reasonably available.

North Country Community College Sexual Assault Policy

The College is committed to helping its students and its employees achieve their personal and educational goals. Having determined that illicit drugs and alcohol are not compatible with the College's commitment and not necessary to the achievement of these goals, the College requires students, employees, and visitors to refrain from unlawful drug activity and the unauthorized use of alcohol on our campuses and at College sponsored events.

Goals:

North Country Community College has an ethical as well as a legal obligation to address the issue of illicit drug or alcohol consumption by employees, students

beverages at social functions only when the President in advance of the event has granted permission in writing. Consumption of alcoholic beverages shall be permitted only within the approved area designated for said event. No person under the age of 21 years shall consume any alcoholic beverage at any College sanctioned event.

2. Students and employees found in violation of State or Local Laws regarding alcohol use will be reported to the appropriate law enforcement agency. Note: the age limit in New York State for purchase, possession, or consumption of alcohol is 21. Local laws include open container laws that make possession of an open container of beverage alcohol unlawful.

Disciplinary sanctions can include suspension, dismissal from the College or participation in a rehabilitation program. Employees and student employees violating this policy will be referred to the appropriate Dean or the College President.

Compliance with this provision is a condition of employment. These internal disciplinary procedures are not intended to replace those of local law enforcement agencies. Employees convicted of a drug offense that occurred on campus or at a College sponsored event are required by law to so notify the College within five (5) days of conviction.

College Obligation for Notification:

The College is obligated to notify the appropriate federal contracting agency, if applicable, within ten (10) days of receipt of notice of an employee conviction as described above.

Upon receiving notification, a Dean shall immediately provide, in writing, notice to the College President to permit proper notice to be sent to federal contracting agencies where applicable.

The College will offer ongoing drug education and awareness programs for the College community as well as provide drug informational materials. Faculty, staff and students are expected to avail themselves of these programs and materials. (Adopted by the Board of Trustees 12-21-98, Resolution 1989-90-1205)

DISCIPLINARY SANCTIONS: STUDENT AND EMPLOYEE

Please note that students, employees and student employees who are found in violation of the law will be reported to the appropriate law enforcement officials as well as being subject to College disciplinary action.

Student, Employee and Student Employee Discipline

All members of the College community should read the full text of the NCCC Code of Conduct - Individual Rights and Responsibilities as approved by the NCCC Board of Trustees for detailed information including time guidelines. What follows is a summary of disciplinary action if a student violates NCCC's policy on drug and alcohol use and abuse.

1. All charges must be detailed and submitted in writing to the Office of the appropriate Dean by the individual(s) initiating such charges.
2. The individual believed to be in violation of the NCCC Drug and Alcohol Abuse Prevention Plan will be notified by registered letter of the charges, when they should appear for a consultation meeting, and their right to a hearing.
3. At the above-mentioned consultation meeting the student, employee or student employee will be advised of his/her rights in the proceedings and any possible consequences stemming from the allegations. Students will have all charges reviewed.
4. Sanctions imposed, if any, will be in accordance with the provisions of the NCCC Code of Conduct - Statement of Rights and Responsibilities.

LEGAL SANCTIONS

There are local, state and federal laws prohibiting the unlawful possession or distribution of illicit drugs and alcohol. New York law offers penalties ranging from 15 days to life in prison and up to \$3 million in fines. Penalties are based upon the amount of substance involved, the nature of the offense, and the number of prior offenses.

Each of our campus communities has an "open container" law. Local ordinance #3-1 in Saranac Lake, for instance prohibits possession of any alcoholic beverage in an unsealed container on public streets or park property within the village.

New York also prohibits storage, manufacturing, or counterfeiting of drugs; using children for drug distribution or manufacturing; distributing to children or prisoners; and distribution "within 1,000 feet of a private or public school." There are also penalties for use or purchase of alcohol by a minor on any premises owned by an adult; injury or death by providing alcohol to minors or adults; falsification of proof of age to obtain alcohol; sale of alcohol within 1,000 feet of a church and operating a motor vehicle while under the influence of any intoxicant

or drug. Altering a driver's license will result in revocation of driving privilege by the Commissioner of Motor Vehicles.

Federal laws include similar provisions with penalties ranging to life in prison with fines reaching \$8 million for individuals. Personal property may be confiscated; federal benefits (such as "student loans, grants, contracts, and professional and commercial licenses") may be affected; and the right to receive or purchase firearms may be lost.
