Annual Security & Fire Safety Report 2023

Published in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Statistics Act (hereinafter referred to as the Campus Security Act.)

"The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act, 20 U.S.C. 1092) was originally enacted as Title II of the Student Right-to-Know and Campus Security Act of 1990 (P.L. 101-542); it was signed into federal law as an amendment to the Higher Education Act of 1965. The Clery Act was enacted to increase the accountability and transparency of Institutions of Higher Education (IHEs) in meeting certain responsibilities with regard to the safety and security of students on their campuses. It required IHEs participating in HEA Title IV financial assistance programs to disclose campus crime statistics and security information." (Library of Congress - History of the Clery Act: Fact Sheet)

The Clery Act requires institutions of higher education to disclose statistics for reported crimes based on **where** the crimes occurred, to **whom** the crimes were reported, the **types** of crimes that were reported, and the **year** in which crimes were reported.

Data referenced in this report is from calendar year 2022

North Country Community College – Annual Security & Fire Safety Report

North Country Community College is committed to maintaining a safe and educational environment for members of the college community and guests who visit our three campuses. Additionally, the College Safety Committee is charged annually with several tasks related to improving campus safety. We all can play a role in promoting campus safety. Alert the Administrator-on-Call or the Student Affairs Department in the event you witness or hear anything that is of concern to you. Don't assume information has reached necessary personnel from others. It's on everyone in a community to communicate safety concerns to college officials!

Definition of "Privacy" versus "Confidentiality"

North Country Community College offices and employees cannot guarantee **confidentiality** but will maintain your **privacy** to the greatest extent possible. The information you provide to a non-confidential resource will be relayed only as necessary to investigate and/or seek a resolution and to notify the Title IX Coordinator or designee, who is responsible under the law for tracking patterns and spotting systemic issues. North Country Community College will limit the disclosure as much as possible, even if the Title IX Coordinator determines that the request for confidentiality cannot be honored.

Privileged and Confidential Resources

Individuals who are *confidential* resources will not report crimes to law enforcement or college officials without your permission, except for extreme circumstances, such as a health and/or safety emergency. Even individuals who can typically maintain confidentiality are subject to exceptions under the law, including when an individual is a threat to him or herself or others and the mandatory reporting of child abuse.

North Country Community College does not employ confidential employees, however we can provide referrals to licensed clinicians and licensed providers or religious personnel who are able to provide confidentiality.

Behavioral Intervention Response Team

North Country Community College believes in coordinating care for our students. Documenting behavior before it becomes a policy violation is just as important to us as documenting when regulations are broken. Members of the Behavioral Intervention Response Team on each campus attempt to intervene early with at risk students, which helps connect students to support services, make appropriate referrals on and off campus, and cultivates wise choices and developmental growth. We ask faculty, staff, and students to reporting concerning behavior they observe or students in need of additional support using the secure webform located on www.nccc.edu/campus-safety/ by clicking **File a Report.** From there, the dynamic reporting form can be selected to **"Refer for Student Support,"** which initiates an intervention referral and a coordination of care response process. Referral requests can also be made in person to any member of the Student Affairs team.

Cases are managed by the Interim Associate Vice President of Student Affairs who tracks outreach and referrals for students of concern. Common referrals include counseling services, academic supports, accommodative services, emergency funding, food and housing insecurities, and other social services to meet basic needs.

College Safety Committee

It is the policy of the State University of New York (SUNY) to comply with legal requirements of Article 129-A of NYS Education Law §6431 (Regulation of Conduct on Campus and Other College Property Used for Educational Purposes). Accordingly, the SUNY Board of Trustees has adopted written rules requiring campuses to establish campus safety advisory committees.

North Country Community College maintains an active College Safety Committee responsible for annual review of current campus security policies and procedures and annual recommendations for improvement to College administration. Specifically, the committee shall have responsibility to review policies and procedures for (1) educating the campus community, including security personnel and those persons who advise or supervise students, about sexual assault pursuant to §6432 of Article 129-A of NYS Education Law; (2) educating the campus community about personal safety and crime prevention; (3) reporting sexual assaults and dealing with victims during investigations; (4) referring complaints to appropriate authorities; (5) counseling victims; and (6) responding to inquiries from

concerned persons. Membership of the committee consists of the faculty, staff, and students with representation from all campuses and all genders.

The Campus Safety Committee is currently chaired by the Student Life Coordinator on the Malone Campus, Bruce Kelly. Committee Composition is a minimum of six members wherein (1) at least half of the committee shall be female; (2) one-third of the committee shall be appointed from a list of students that contains at least twice the number to be appointed, which is provided by the largest student governance organization on the campus; (3) one-third of the committee shall be appointed from a list of faculty members that contains twice the number to be appointed, which is provided by the largest faculty organization on the campus; and (4) one-third of the committee shall be selected by the president.

A self-audit of our compliance with NYS Education Laws 129 A and B are conducted annually each May and certificates of compliance are submitted by July 1 each year. Additionally, NYS Education Law 129B (otherwise known as Enough is Enough) requires institutions of higher education to administer a bi-annual Sexual Assault Prevalence Climate Assessment Survey and to publish the results on the college or university website. Our aggregated data from our most recent climate assessment is published at nccc.edu/title-ix.

Policy on Timely Warnings

In the event that a situation arises, either on or off campus, that, in the judgment of the NCCC Administration or designee, constitutes an ongoing or continuing threat, a campus wide "timely warning" will be issued. The warning will be issued through the college e-mail systems to students, faculty, and staff).

Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the community and individuals notices will be posted in each residence hall, at the front door of everyone on campus building. Anyone with information warranting a timely warning should report the circumstances to the Associate Vice President of Student Affairs (518.891.2915 ext. 1205).

POLICY: **Timely Warning and Emergency Notification**
DRAFTED: February 2021
ADOPTED: May 27, 2021

I.   POLICY STATEMENT

North County Community College, sponsored by Essex County and Franklin County, is part of the State University of New York (SUNY) system. The establishment of personnel policies is the responsibility of the North Country Community College Board of Trustees, while ensuring compliance with those policies is the responsibility of the College administration. We maintain and affirm that the most equitable and fair policies are

those that involve shared governance, and we are committed to engaging the College community in the development/modification of established policies wherever possible. This policy follows that process.

This policy establishes and describes the College's formal written guidelines pertaining to Timely Warnings and Emergency Notifications, including those specifically required by the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act (Clery Act) of 1990.

II. SCOPE

It is the policy of North Country Community College to alert the campus communities to certain crimes and safety/security issues occurring on one of our three campus locations, or in the immediate vicinity of these campuses. Generally, this area will include the streets adjacent and/or adjoining campus property. However, nothing in this policy is intended to prevent notifications about incidents occurring outside of this area when they are likely to have a significant impact on members of the college community.

III. POLICY

Alerts are required for all incidents that constitute Clery Act Crimes and are considered to represent a serious or continuing threat to the campus community. These crimes include: Murder and Non-Negligent Manslaughter, Sex Offenses, Robbery, Aggravated Assault, Burglary, Motor Vehicle Theft, Arson, and Hate Crimes.

Alerts may also be issued for: Crimes other than "Clery Act" crimes that pose a serious or continuing threat to the campus community (e.g. kidnapping or bomb threat), and non-criminal emergencies that pose a significant or continuing threat to the campus community or a segment of the campus community (e.g. weather related emergencies, maintenance issues, environmental health and safety issues, etc.).

Emergency Notifications are required for all significant emergency or dangerous situations that pose an immediate threat to health or safety of some or all of the members of our campus communities (e.g. an armed intruder is present in a campus building, several random arsons have occurred in a single night in occupied areas on campus, etc.).

Emergency Notifications may be labeled Crime Alert, Safety Alert or Emergency Notification.

Employees or students who learn of information which may warrant the issuance of a "Crime Alert," "Safety Alert," or "Emergency Notification" should notify the Administrator-on-Call as soon as possible.

IV. DEFINITIONS

Types of Alerts:
- Crime Alert – A campus-wide notification regarding a crime determined to present an ongoing or continuing threat to the safety of the campus community.
- Safety Alert – A notification issued under circumstances which may or may not be criminal in nature but still pose a significant or continuing threat to the campus community or segments of the campus community. Safety Alerts are not always issued campus-wide and may be issued selectively to affected areas.
- Emergency Notification – A notification issued for a significant emergency or dangerous situation that poses an immediate threat to the health and/or safety of some or all of the members of our campus locations.
- Information Bulletin – An informational notice regarding incidents that may not pose an immediate or continuing threat but are serious enough in nature that it is deemed appropriate that the campus community or a segment of the campus community should be informed.

V.   REPORTING RESPONSIBILITIES

Alerts and Notifications are issued at the discretion of the following authorized title holders:

- College President (or Executive Assistant to the President)
- Associate Vice President of Student Affairs
- Director of Human Resources
- Vice President of Academic Affairs
- Vice President of Enrollment and Marketing
- Communications Director
- Chief Financial Officer
- Executive Director of the Association (re: Association housing)

Any College personnel who learn of information or recognize an event which may warrant the issuance of an alert or emergency notification must notify the Administrator-on-Call as soon as possible.

Those authorized to issue alerts will determine the type of alert to issue and the dissemination method. Dissemination methods may include but are not limited to the following:

- Campus-wide email
- College website / social media
- Alert poster or flyers
- SUNY NY Alert (Everbridge)
- Homepage
- On/off campus media releases
- Student Portal
- Blackboard

VI.   INVESTIGATION AND RESPONSE PROCEDURES

The team of authorized personnel will determine if sufficient and accurate information exists to warrant the issuance of an alert.

When issuing an alert or emergency notification, authorized individuals will include the following, as appropriate:

- Title: Crime Alert, Safety Alert, Emergency Notification, Information Bulletin
- Authorizing authority
- Date of issuance
- Date, time and location of offense or situation
- Description of crime or situation
- Description of suspects
- Suspect's direction and mode of travel when fleeing incident
- Safety instructions/advice

The person who initiates an alert, emergency notification or bulletin will document the alert in College's incident reporting software including uploading a copy of the exact alert/bulletin. The Associate Vice President

North Country Community College – Annual Security & Fire Safety Report

of Student Affairs will be responsible for reviewing the report for accuracy and will then preserve and archive the report in the current case management software.

If it is determined that the College's Emergency Response Plan should be activated, the reporting administrator (or designee), will call a meeting of the Emergency Response Team.

VII.   FOLLOW-UP

Following resolution of an emergency notification, a follow-up alert will be sent to notify the College community that the emergency or threat is over. The same communication channels may be used as during the initial alert.

Law Enforcement

The College maintains excellent working relationships with our three Police Departments in Saranac Lake, Malone, and Ticonderoga as well as with the New York State Police. Memorandums of Understanding are in place to ensure smooth communication and mutual cooperation. North Country Community College does not currently employ campus security guards.
