Attestation Form For Unvaccinated Online/Distance Learning Students

Current COVID-19 pandemic response protocols allow us to permit unvaccinated Distance Learning students to access campus facilities and services on an infrequent basis. North Country Community College defines “infrequent campus access” as less than once a week.

Signing this attestation form confirms your understanding of the following expectations:

1. Unvaccinated students who access the College campus(es) infrequently (less than once a week) must log in each time they access campus here: <https://forms.office.com/r/xZ5X4RXZu7>
2. If need to access College campus(es) should increase to a frequently of once a week or more, the unvaccinated student will first become vaccinated against COVID-19 and submit proof of vaccination.
3. Medical Exemptions or Accommodations or Religious Exemptions to the College’s COVID-19 vaccination mandate must be pre-approved. Requests for these may be submitted to healthrecords@nccc.edu.
4. Failure to comply with these expectations will result in referral to the student conduct process for failure to comply with official requests.

Please contact healthrecords@nccc.edu to submit proof of vaccination, request paperwork for a medical or religious exemptions or medical accommodations, or with general questions about this form.
