COVID-19 UPDATE

March 8, 2022

SUMMARY:

On-campus positivity remains low, which is good news for the college community. The college and its Covid-19 Task Force continue to monitor the status of the pandemic and its impact on our campuses and our communities. NOTE: These reports are now being issued once every two weeks.

IF YOU HAVE SYMPTOMS:

Do you have Covid-19 symptoms, or were you exposed to someone who tested positive?

If you need to get tested, contact your local hospital, pharmacy or health department. You can also check this site: https://coronavirus.health.ny.gov/find-test-site-near-you

Additionally, the college is providing free testing at our Ticonderoga campus on Fridays.

COUNTY-SPECIFIC INFO:

Our sponsoring counties continue to provide updates on positive cases, vaccination, and booster clinics, and where you can get tested if you think you have Covid-19 symptoms.

Essex County:
