

Health Requirements for Radiologic Technology Students

In addition to the two (2) State Mandated MMR (measles/mumps/rubella) immunizations and the Meningitis documentation required by Health Records at NCCC, there are other program requirements that must be submitted to the Radiologic Technology office. After acceptance into the program, further information regarding the requirements below will be mailed to your home address.

- **Health Report (physical):** Due September 1st. NOTE: All dates (including date of physical exam) must be within the previous six months. **Depending on the clinical sites that you attend, you may be required to submit an updated physical every six months.**
- **Tuberculin Skin Test (PPD):** Due September 1st. The date of the Tuberculin skin test must be within the last year.
- **Tetanus Shot:** Due September 1st. NCCC and clinical affiliates are requiring proof of a tetanus shot within the last ten years.
- **Varicella/Zoster & Hepatitis B Information Sheets:** Due September 1st In lieu of the Hep B Information Sheet, you may provide proof of positive Hep B titer. Proof of the Hep B series alone is not sufficient to meet this requirement.
- **Seasonal flu vaccination:** Due October 31st NCCC and its clinical affiliates require that you obtain and provide proof of the seasonal flu vaccination.
- **Valid CPR card for Professional Rescuer or Healthcare Provider:** Due December 1st The date of the certification must be within the past year. If need be, you have the opportunity to attend CPR in the fall at NCCC prior to the due date. ***NOTE that the CPR certification must be for infant, child and adult with AED and BVM, or it will not be acceptable.*** On-line courses without practical demonstration are NOT acceptable.
- **Student Professional Liability Insurance:** Due December 1st All students who have been admitted to the AAS Radiologic Technology program will be required to provide proof of student professional liability insurance and maintain coverage throughout the course of the program.

PLEASE DO NOT PROCRASTINATE!

TAKE CARE OF THESE REQUIREMENTS AND SUBMIT THEM BEFORE THE REQUIRED DEADLINES!

FAILURE TO COMPLY WILL RESULT IN REMOVAL FROM THE RADIOLOGIC TECHNOLOGY PROGRAM.
