Schuyler Cranker wins SUNY Chancellor's Award

Schuyler Cranker of Saranac Lake has been selected as our 2020 recipient of the SUNY Chancellor's Award for Student Excellence.

The Chancellor's Award is the highest honor SUNY bestows upon a student. Schuyler, seen here last year, is one of 213 students from 64 campuses to receive the award.

A second-year Math and Science student, Schuyler is incredibly bright, hard-working, and naturally inquisitive. He served as a senator in the Student Government Association for two semesters and helped organize the local 2019 Climate Strike. He has worked as a tutor and is a member of the Phi Theta Kappa Honor Society.

Congratulations to Schuyler and best of luck in your future endeavors!

Your opinion matters! Tell us how we can improve

You are invited to take part in a college-wide [Student Opinion Survey](#).

Your participation is completely voluntary but extremely beneficial to helping the college improve services for students. We deeply value your experiences as students and need to understand them to better serve you each semester.

The [survey](#) asks about your academic and campus experiences before COVID-19 and after we made the transition to all-online this semester, among other topics.

BONUS: If you choose to, at the end of the survey you may enter your name into a drawing for a **\$50 gift card** to a variety of retailers.

Feeling stress or anxiety? Help is available

The end of the semester can be a difficult time: final exams, completing all your assignments and degree requirements, and saying goodbye to classmates and instructors.

If you're struggling with anxiety, stress or depression, or you just need someone to talk to, you're not alone. There are counseling and support services available through our many community partners.

Visit our [Counseling Partners](#) page for details. Additionally, the state is staffing an Emotional Support Hotline for those experiencing increased anxiety due to the COVID-19 pandemic. Call 1-844-863-9344 for free and confidential support.

Class of 2020 Bingo Night, and more student events

Check out this week's [Student Engagement flyer](#) (at left) for more details on A special Bingo Night for the Class of 2020. It's happening on Zoom on May 15.

The latest Scavenger Hunt is underway, two Trivia Nights are scheduled next week, and there's still time to complete the NCCC Wellness Challenge.

Be sure to check out the [Virtual Student Engagement](#) page, which has a great sidebar of links to help take your mind off your studies when you need a break, like virtual museum tours, animal webcams and links to live concerts.
