

# THE CONNECTOR

Our weekly update to North Country Community College students

VOL. 2, NO. 2

9.4.2020

## Tutoring, Academic Coaching Available Remotely

The start of the semester can be challenging. If you're feeling a little overwhelmed, our Learning Assistance Centers are here to help!

Do you need help in math, English or other courses? Would you like to improve your study and organizational skills? Maybe you just need someone to help you get through a tough assignment.

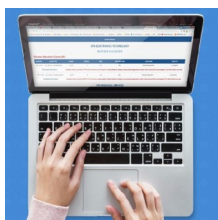

Remote tutoring and academic coaching is available all semester.

To request a tutor or academic coach visit the [LAC page on our website](#). If you need help in the evenings (Sunday-Thursday, 7 p.m. to midnight) we also have [a new tutoring service called STAR-NY](#).

All tutoring and academic coaching services are free to students.

---

## Loaner Laptops Available for Students in Need

If you need a laptop computer for the fall semester and you are not able to get one by any other means, you may be eligible for our [Student Loaner Laptop Program](#).

Laptops are provided on a first-come, first-served basis to eligible students. Quantities are limited. Laptops are available for curbside pickup or can be shipped or delivered.

To see if you're eligible, [complete and submit the request form on our website](#).

If you are struggling with technology or home Internet-related problems, contact our Help Desk at [helpdesk@nccc.edu](mailto:helpdesk@nccc.edu) or 518-891-2915 ext. 4357.

---

## Trivia Tuesdays, Scavenger Hunts and More Virtual Events!

We miss seeing our students on campus, but that doesn't mean we can't stay connected. Help us keep the college community going strong, and take a break from your studies, by taking part in one of our [Virtual Student Engagement](#) events.

This coming week there's a Trivia Tuesday, Scavenger Hunt and a Virtual Coffee Hour. Events are posted each week on the [Student Support section of the college website](#).

You can also learn more about joining Student Government and get tips on Health and Wellness. Click on the flyer at left for all the details, and we'll see you online!

---

## A Quick Message from college President Joe Keegan

On behalf of all of us, welcome to the start of the Fall 2020 semester! While our preference would have been to meet and greet you in person this week, the prudent course of action required us doing so through remote means.

It is my hope that, across these virtual platforms, you are able to sense the warm welcome and great hopes we have for your success this semester and beyond.

If you need help, we will be a message, post, call or email away, so please reach out and connect with us. Study hard and learn well!
